

Rana et bos

In prato quondam rana conspexit bovem...

... et invidia tantae magnitudinis tacta
inflavit rugosam pellem.

Tum interrogavit natos suos, an latior
esset bove. Illi negarunt.

Rursus intendit cutem maiore nisu
et simili modo quaesivit quis
maior esset. Illi dixerunt bovem.

Novissime indignata dum validius
vult inflare sese, iacuit rupto
corpore.
